

## **Atlas MultiTrip**™

The Atlas MultiTrip plan from WorldTrips, a member of the Tokio Marine HCC group of companies, is with you almost anywhere you may travel internationally for vacation, business, visits with family, sports adventures, or other pursuits. It covers multiple trips of up to 30 or 45 days in length, for the 364-day certificate period.

## Why Choose Atlas MultiTrip™?

Whatever your reason for venturing abroad, we believe international travel should be a pleasant experience. However, travel mishaps and emergencies such as illness, injury, and natural disasters can happen despite preparation.

WorldTrips' Atlas MultiTrip annual travel medical insurance plans can provide coverage and support for unexpected inpatient and outpatient medical expenses, emergency medical evacuation, accidental death and dismemberment, lost checked baggage, and more to help frequent international travelers explore the world with confidence.

### I HAVE MEDICAL INSURANCE IN MY HOME COUNTRY. DO I NEED MULTI-TRIP MEDICAL INSURANCE?

Many times, the primary medical insurance in your home country will not cover you while traveling abroad and often will not provide coverage in the event of an illness or injury. Atlas MultiTrip provides coverage for multiple international trips up to 30 or 45 days in length (as elected) during the 364-day contract period.

It also includes travel assistance services such as translation assistance during treatment, doctor and hospital referrals, and assistance replacing lost prescriptions.

## What's Covered by Atlas MultiTrip<sup>TM</sup>?

## **Emergency Medical Evacuation and Emergency Reunion**

Would you know what to do if you found yourself in a life-threatening situation far from home? Atlas MultiTrip will cover eligible expenses necessary to transport you to the nearest hospital qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas MultiTrip will also cover the transportation, lodging, and meal costs for a relative to join you after an emergency medical evacuation, up to the lifetime limit.

### **Repatriation of Remains**

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas MultiTrip will arrange for and cover eligible costs associated with the repatriation of your remains.

### **Political Evacuation**

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or higher travel advisory for your destination country, Atlas MultiTrip will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

### **Trip Interruption**

One of a traveler's biggest worries is the safety of his or her home while away. If

you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas MultiTrip will cover the cost of a one-way, economy class ticket to the airport nearest your home.

## Natural Disaster- Replacement Accommodations

If a natural disaster occurs while on your trip, causing you to become displaced from your planned and paid accommodations, Atlas MultiTrip will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

### **Hospital Indemnity**

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas MultiTrip will provide \$100 for each night you spend in the hospital.

### **Terrorism**

If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or higher travel advisory, Atlas MultiTrip offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or higher

travel advisory in the 60 days prior to your arrival date.

## Acute Onset of Pre-Existing Conditions

Atlas MultiTrip provides a limited benefit up to the medical coverage lifetime maximum for eligible medical expenses. If you are younger than 80, you may be covered for an acute onset of a pre-existing condition. This also includes up to a \$25,000 lifetime maximum for emergency medical evacuation.

An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence that is of short duration, is rapidly progressive, and requires urgent care. A pre-existing condition that is a chronic or congenital, or that gradually becomes worse over time, is not acute onset of a pre-existing condition.

The Acute Onset of Pre-existing Condition benefit will only apply if all of the following conditions are met:

- a) The Acute onset of a Pre-Existing Condition does not directly or indirectly relate to a chronic condition or congenital condition;
- b) Treatment must be obtained within twenty-four (24) hours of the sudden and unexpected outbreak or reoccurrence;
- c) You must be under eighty (80) years of age;
- d) You must not be traveling against or in disregard of the
